

Prayer Garden Layout
Bricks will be outer boundary of landscape.

November 11, 2021

Dear Brothers and Sisters in Christ,

I am so excited to announce to everyone that we are in the final stages of our landscaping project.

Legacy Brick Patio Layout
SCALE: 1/4" = 1'-0"

Mr. Nunez, the landscape architect is in the final stages of completing our prayer garden to surround the Blessed Virgin Mary Statue. Part of the landscape plans for the prayer garden will include a commemorative brick garden. (4" x 8" x 2.25" laserable red bricks)

We have partnered with Trophy Arts to engrave the bricks. The landscape plans will allow for 100 bricks. You will be able to purchase a brick at a minimum donation of \$50 per brick. For a high quality print, we recommend that you keep your message within 40 characters.

This is a terrific way to leave a permanent mark that you or your family were part of this historic community. You may want to purchase a brick as memorial to your loved one, to recognize your parish membership, or in name of your children, or grandchildren laying the groundwork for younger generations of your family history. Whatever the reason, the engraved brick will be a permanent testament that you supported Our Mother of Mercy Catholic Church, a historical church that has been servicing Tarrant County and surrounding areas since 1929.

To complete your purchase, please complete the attached form and return to the office with your payment.

Thank you so much for supporting this project and I ask that you join with me in prayer for a successful project. Please do not hesitate to contact me if you have any questions.

May God Bless You and Your Family,

Sincerely,

Father Bart, S.V.D., Pastor, Our Mother of Mercy Catholic Church

Return this portion with your payment.
